New Dimensions Dual Action Application Instructions

1. After removing all the bonding adhesive from the scalp with Ultra-Safe, you will proceed to wash the client's scalp and hair 2 times with the New Dimensions Dual Action Shampoo.
2. Rinse the shampoo out of the client's hair. Make sure there is no adhesive left on the scalp.
3. If you find that there is still some residual adhesive, continue using the shampoo until the scalp and hair are totally free of adhesive. After this, you can finish with the shampoo and conditioner of your choice.
