
Section 1: Product and Company Identification

Product: Pro Series Conditioner

Product Use: Hair Care

Manufactured: Professional Hair Labs
4775 Allen Road
Zephyrhills, Florida 33541

Telephone Contact: 800-778-4247

Issue Date: October 6, 2014

Supersedes Date: NA

Section 2: Hazards Identification

OSHA Hazards: Not classified as dangerous

Target Organs: None

Classification: Not classified as dangerous

GHS Label Elements – None required

HMIS Classification:	Health hazard: 1	NFPA Rating:	Health hazard: 1
	Flammability: 0		Fire: 0
	Physical hazards: 0		Reactivity hazard: 0

Potential Health Effects:

Inhalation:	No harmful or irritating effects expected.
Skin:	None; no irritation expected
Eyes:	May cause slight to mild irritation
Ingestion:	No gastrointestinal irritation expected. May cause mild nausea, vomiting and diarrhea

Section 3: Composition / Information on Ingredients

<u>Ingredients</u>	<u>CAS Number</u>	<u>Concentration Range</u>
Cetearyl Alcohol	67762-27-0	< 5%
Behentrimonium Chloride	17301-53-0	< 2%
Hydroxyethylcellulose	68610-92-4	< 1%

Section 4: First Aid Measures

Eye Contact: Rinse eyes with water for at least 15 minutes. Consult a physician if irritation persists.

Skin Contact: Wash with soap and water. If an irritation develops and persists, consult a physician.

Inhalation: If respiratory irritation occurs, move to fresh air.

Ingestion: Drink large amounts of water or milk. Do not induce vomiting. Seek medical attention.

Section 5: Firefighting Measures

Suitable extinguishing media

Chemical foam, dry chemical, carbon dioxide, water

Hazardous combustion products

Oxides of carbon

Special protective equipment for firefighters

Product is non-flammable. In case of fire, wear self-contained breathing apparatus and protective gear.

Section 6: Accidental Release Measures

Personal Precautions

Avoid eye contact. Use according to label instructions.

Environmental Precautions

None; product is water-soluble and contains no environmentally hazardous materials

Methods and materials for containment and clean up

Contain spillage and collect into containers for disposal according to local regulations.

Section 7: Handling and Storage**Precautions for safe handling**

No unusual handling requirements for household or non-household settings.

Conditions for safe storage

No unusual storage requirements for household or non-household settings. Keep container closed when not in use.

Section 8: Exposure Control / Personal Protection

This product contains no hazardous materials.

Personal Protective Equipment (PPE)

Eye/Face:	Avoid eye contact.
Skin:	None required.
Respiratory:	None required.
Hygiene measures	Handle product according to label instructions.

Section 9: Physical and Chemical Properties

Appearance/Color:	Opaque off-white viscous cream
Odor:	Characteristic coconut scent
Odor Threshold:	No data available
pH:	5.5 – 6.5
Freezing Point:	No data available
Boiling Point:	> 212°F
Flash Point:	Not applicable
Auto-ignition Temperature:	Not applicable
Lower explosion limit:	Not applicable
Upper explosion limit:	Not applicable
Vapor pressure:	No data available
Density:	1.03 – 1.05 g/ml
Water solubility:	Soluble
Partition Coefficient (n-octane/water)	No data available
Relative vapor density:	No data available
Evaporation Rate:	No data available

Section 10: Stability and Reactivity

Reactivity

Product is non-reactive.

Chemical Stability

Stable.

Conditions to avoid

None known

Incompatible materials

None known

Hazardous decomposition products

Oxides of carbon

Section 11: Toxicological Information**Routes of Exposure**

Skin and eye contact: Possible irritation to eyes.

Acute Toxicity

No data available; product is non-toxic

Carcinogenicity

This material contains no ingredient at levels greater than or equal to 0.1% that is identified as carcinogenic by NTP, IARC, OSHA or ACGIH.

Section 12: Ecological Information

Keep out of sewers, drainage areas, and waterways. Report spills and releases, as applicable under local, state and federal regulations

Toxicity to fish

No data available

Persistence and degradability

No data available

Bioaccumulative potential

No data available

Mobility in soil

No data available

Other adverse effects

No data available

Section 13: Disposal Considerations

Surplus, non-recyclable and contaminated product should be disposed of in accordance with all local, state and federal regulations

Section 14: Transport Information**DOT (US) – Non-regulated**

UN Number Not applicable

UN Proper Shipping Name Not applicable

Hazard Class Not applicable

Section 15: Regulatory Information

EC/GHS Classification

According to EC/GHS regulations this product is not classified or labeled.

SARA 302 Components

No chemicals in this material are subject to the reporting requirements of SARA Title III, Section 302

SARA 313 Components

No chemicals in this material exceed the threshold reporting levels as established by SARA Title III, Section 313.

SARA 311/312 Hazards

No chemicals in this material exceed the threshold reporting levels as established by SARA Title III, Section 311/312.

California Prop. 65 Components

This product does not contain any chemicals known to State of California to cause cancer, birth defects, or any other reproductive harm.

Section 16: Other Information

The information provided in the MSDS is correct to the best of our knowledge and information at the time of its publication. The information given is designed only as guidance for safe handling, use, processing, storage, transportation, disposal and release and is not being considered a warranty or quality specification. The product to which this information refers is a product formulated for consumer use in a personal or professional setting. Professional Hair Labs makes no warranty, expressed or implied regarding the accuracy or completeness of this information or the results to be obtained from the use thereof.
